MOLTOX®
Molecular Toxicology, Inc.

MOLTOX® Industrial Media Reference Guide by Application.

Please refer to additional references for specific usage and procedures realted to these applications.

Please search our website for available part numbers.

MOLTOX® products are **For Research Use Only**

MOLTOX® PRODUCTS	APPLICATION										
	Cosmetic Testing	Dairy Testing	Food & Beverage Testing	General Purpose	Membrane Filtration	Microbial Limit Testing	Molecular Genetics	Pharmaceutical Testing	Sterility Testing	Veterinary Testing	Water/Wastewater
Bile Esculin Azide Agar											
Bismuth Sulfite Agar											
Blood Agar											
Brain Heart Infusion Agar											
Brilliant Green Agar											
Buffered Peptone Water											
Cetrimide Agar											
Columbia Agar											
D/E Neutralizing Agar											
D/E Neutralizing Broth											
Demi-Fraser Broth											
EE Mossel Broth											
Enterococcosel Agar

MOLTOX® PRODUCTS	APPLICATION										
	Cosmetic Testing	Dairy Testing	Food & Beverage Testing	General Purpose	Membrane Filtration	Microbial Limit Testing	Molecular Genetics	Pharmaceutical Testing	Sterility Testing	Veterinary Testing	Water/Wastewater
Eosin Methylene Blue (EMB) Agar											
Fluid D											
Fluid Thioglycollate											
Hektoen Enteric Agar											
Lactobacilli MRS Agar											
Lactobacilli MRS Broth											
Lactose Broth											
LB Agar, Miller											
LB Agar, Lennox											
LB Broth, Miller											
Letheen Agar											
Letheen Broth											
m Enterococcus Agar

MOLTOX® PRODUCTS	APPLICATION										
	Cosmetic Testing	Dairy Testing	Food & Beverage Testing	General Purpose	Membrane Filtration	Microbial Limit Testing	Molecular Genetics	Pharmaceutical Testing	Sterility Testing	Veterinary Testing	Water/Wastewater
m EI Agar											
m Endo Agar, LES											
m FC Agar											
m FC Broth											
MacConkey Agar											
MacConkey Broth											
Malt Extract Agar											
Mannitol Salt Agar											
Nutrient Agar											
Nutrient Broth											
Plate Count Agar											
Potato Dextrose Agar											
Potato Dextrose Broth

MOLTOX® PRODUCTS	APPLICATION										
	Cosmetic Testing	Dairy Testing	Food & Beverage Testing	General Purpose	Membrane Filtration	Microbial Limit Testing	Molecular Genetics	Pharmaceutical Testing	Sterility Testing	Veterinary Testing	Water/Wastewater
Pseudomonas F Agar											
Pseudomonas P Agar											
Rappaport-Vassilliadis R10 Broth											
Reinforced Clostridial Agar											
Reinforced Clostridial Broth											
Rose Bengal Agar											
R2A Agar											
Sabouraud Dextrose Agar											
Sabouraud Dextrose Broth											
Salmonella Shigella											
Schaedler Agar											
Tetrathionate Broth											
Tomato Juice Agar

MOLTOX® PRODUCTS	APPLICATION										
	Cosmetic Testing	Dairy Testing	Food & Beverage Testing	General Purpose	Membrane Filtration	Microbial Limit Testing	Molecular Genetics	Pharmaceutical Testing	Sterility Testing	Veterinary Testing	Water/Wastewater
Tomato Juice Broth											
Triple Sugar Iron (TSI) Agar											
Tryptic Soy Agar (TSA)											
Tryptic Soy Agar (TSA) w/ Sheep Blood											
Tryptic Soy Broth (TSB)											
Tryptic Soy Broth (TSB) w/ Lecithin & Tween 80											
Tryptone Phosphate Broth											
Tyrosine Agar											
Violet Red Bile Agar											
Violet Red Bile Glucose Agar											
XLD Agar											
XLT4 Agar											
Yeast Malt (YM Agar)
