MOLTOX® Industrial Media Reference Guide by Microorganism.

Please refer to additional references for Isolation, Cultivation, Identification and Maintenance applications.

Please search our website for available part numbers.

MOLTOX® products are **For Research Use Only**

MOLTOX® PRODUCTS	MICROORGANISM																				
	Actinomycetes (aerobic)	Anaerobes (exclusive of clostridia)	Bordetella	Brucella	Clostridium	Coliforms & Proteus	Corynebacterium	Enteric Bacilli	Enterococci/Group B Streptococci	Fungi (Yeasts & molds)	Lactobacillus-Leuconostoc	Listeria	Mycobacterium	Neisseria	Nonfermenters	Pseudomonas & other Nonfermenters	Salmonella & Shigella	Staphylococci	Streptococcus (Non-Group D)	Vibrio	Yersinia enterocolitica
Bile Esculin Azide Agar																					
Bismuth Sulfite Agar																					
Blood Agar																					
Brain Heart Infusion Agar																					
Brilliant Green Agar																					
Bushnell-Haas Medium																					
Casein Agar																					
CDC Anaerobe Blood Agar																					
Cetrimide Agar																					
Columbia Agar																					
Deni-Fraser Broth																					
EMB Agar, Levine																					
Enterococcosel Agar

Eosin Methylene Blue (EMB) Agar																					
Fluid Thioglycollate																					
Heart Infusion Agar																					
Hektoen Enteric Agar																					
Hypoxanthine Agar																					
Lactobacilli MRS Agar																					
Lactobacilli MRS Broth																					
m Endo Agar LES																					
mEI Agar																					
mFC Broth																					
MacConkey Agar																					
Malt Extract Agar																					
Mannitol Salt Agar

Middlebrook 7H9 Broth																					
Middlebrook 7H10 Agar																					
Mitis Salivarius Agar																					
Nutrient Agar																					
Oatmeal Agar																					
Pseudomonas F Agar																					
Pseudomonas P Agar																					
Phytone Yeast Extract (PYE) Agar																					
Potato Dextrose Agar																					
Potato Dextrose Broth																					
Rappaport-Vassilliadis R10 Broth																					
Reinforced Clostridial Agar																					
Rose Bengal Agar
